Thursday Night Camp ESC Reception
WANT IN ON THE ACTION?

The first day of sessions is capped by the traditional Host Chapter Reception beginning at 5pm. The Energy Services Coalition in conjunction with the Colorado ESC Chapter will host the Thursday night State Chapter Reception. The State Chapter Reception is a tradition at the ESC Conference and is designed to reflect the character of the state. This year's reception is "Camp ESC," a themed reception reflecting the outdoor adventures of Colorado. The reception is being held in the Exhibit Hall and on the adjoining outdoor Terrace. Join conference attendees for this reception and the opportunity to network with our conference sponsors.
